**RE: In the Matter of Corporate Name Change of United Water Inc. Companies  
(Filed November 17, 2015)  
PSC Docket No. 15-1571**

Dear Ms. Loper:

In response to your letter dated November 18, 2015 attached please find a copy of the print ad that is expected to run in the Wilmington News Journal on 11/30/2015, 12/14/2015 and 1/4/2016.

In addition, attached you will also find a copy of the bill insert that will be included with customer bills beginning in December, 2015. This will take approximately 30 days to reach all customers.

Lastly, there will be three billboards that will be in place beginning 11/30/15. Two will be along Route 13 in Wilmington and one along Route 202 in the companies' northern service territory.

Should you have any additional requests or questions regarding this matter do not hesitate to contact me.

Best regards,

A handwritten signature in blue ink, appearing to read "G. S. Prettyman", with a large, sweeping flourish extending to the right.

Both B&W and Color

The advertisement features a photograph of a man and a woman in an industrial setting. The man is wearing a white hard hat, a dark long-sleeved shirt, and a high-visibility orange and yellow safety vest. He is holding a clipboard and looking towards the camera. The woman is wearing a black and white plaid shirt and is also looking towards the camera. They are standing in front of a large, dark, cylindrical structure, possibly a water pipe or tank. The background is dark and industrial.

# United Water is now SUEZ

70 countries. 60 companies. 1 focus — you.  
We're dedicated to the 7.5 million people nationwide who rely on United Water for their drinking water, and to protecting this valuable natural resource. So while our name may be changing, our commitment to preserving our water supply today and for generations to come has not.

The Suez logo consists of a stylized green swirl icon followed by the word "suez" in a bold, lowercase, sans-serif font.

**70 countries.  
50 companies.  
1 focus—you.**

Globally, our demand for natural resources will more than double our current supply. If we don't start working towards a solution now, it will be too late.

That's why SUEZ is consolidating our businesses around a single mission—preparing for the resource revolution. By pooling our resources today, we're able to bring a global network to work on a local level. We do this so you can continue to enjoy the great water and service you do today, for many years to come.
